NOTE	FOR:	

FROM:

EA/ExDir

After I pick myself up from jumping out a seventh floor window, I will review this 1966 report and touch base with you on where we go from here. The game plan will be to orchestrate a briefing for the DCI, along the lines John spoke to Ed and Gene about yesterday, emphasizing the "informal" collection mechanism.

Gene and Ed, please continue pulling together what you had planned to do yesterday, and we'll figure out how to factor in this "new" information from the 1966 report. We should aim for a briefing sometime the week of 14 April. I'll be in touch in a couple of days and would welcome any ideas from any of you.
